

6 · IL BANCO DEI PEGNI DI FOSSA

Fossa è ancora lì, dietro la sua grata, come se il Preludio non fosse mai finito: mezza Roccamora impegna, l'altra metà riscatta. Vi riconosce — o riconosce il modo in cui si entra da lui sapendo già cosa chiedere — e per una volta non chiede tariffa.

TESTIMONE — FOSSA

«Il piombo daziario lo riconosco a occhi chiusi: me ne hanno offerto un sacchetto di trucioli, settimana scorsa. Ho detto no. Chi era? Il capomastro dei Dossena in persona, con le mani sporche. Non l'ho scritto sul registro: certe firme portano male.»
